

“These bottles will be manufactured by blown extrusion. We want to test and quantify the acceptance of consumers during the project to reach the market”.

*Dra Carolina Peñalva (Aitiip)
Project coordinator*

PROJECT PARTNERS

Citruspack project is coordinated by Aitiip and accounts with the partnership of AMC Innova Juice And Drinks S.L. (Spain), EROSKI (Spain), OWS nv (Belgium), Plastipolis (France) and TECOS (Slovenia).

CITRUS PACK

Discover how Citruspack project will turn citrus side-streams into innovative and eco-friendly additives and products.

This project have been cofounded by the Life Programme.
Project number: LIFE16
ENV/ES/000171
